Molds are not only easy to do but cost pennies to produce incredible pieces that add authentic architectural detail! Here, we combined our cast plaster Acanthus Column top mold with a 1x6 board to create a REAL column!

Used around a light fixture, cast plaster can create the most incredible drama!

Combine your favorite styles for a medallion that is unique to you!

Every room in the house can benefit by the addition of cast plaster!

Show off an alcove with a simple, draping design, or do each wall.

Create a unique wallpaper pattern with raised beauty from cast plaster molds

From Avant Garde to Victorian. The statement you make is up to you!
